

PBSi 2011 Holiday Schedule & Moratorium

In anticipation of the 2011 Holiday Season, PBS Interactive is placing a moratorium on major site launches and production changes due to limited staff resources that will be available during the holiday's.

Please review the dates listed below and make plans accordingly:

- Nov. 23, 2011 – Nov. 25, 2011
- Dec. 8, 2011- Dec. 9, 2011 (PBS Product Summit)
- Dec. 19, 2011 – Jan. 2, 2012

The moratorium applies to major deployments such as new site launches, manual site pushes/updates, and new server requests. It does not apply to ongoing technical support. This will continue as normal except on days when PBS offices are closed.

PBS Offices will be closed November 23rd (beginning at 1pm) through November 25th, as well as December 23 – 26th and January 2nd.

If you have questions about the moratorium or if it poses a challenge to your production plans, please reach out to your program manager.

Thank you. We hope you all have a great holiday!
